

## **TAKESHO – CTU INTERNSHIP PROGRAM 2025**

### **International Internship Opportunity for Can Tho University Students**

In order to enhance students' exposure to international working environments, develop professional skills, and broaden global perspectives, Can Tho University (CTU) is collaborating with Takesho Corporation (Japan) to launch the Takesho – CTU Internship Program 2025..

This annual partnership between CTU and Takesho offers outstanding students practical experience at one of Japan's leading companies in the food processing and seasoning industry.

#### **Program Benefits**

- On-site visit and hands-on experience at **TAKESHO Vietnam**
- Opportunities to interact, collaborate, and engage in group activities with students from various academic fields.
- Opportunity to visit and interact with Japanese students participating in the internship program at **TAKESHO Japan**

#### **Program Activities**

- Company tour, orientation, and team-based activities at **Takesho Vietnam**.
- A **pre-departure briefing session** will be held in the **morning of June 11, 2025**.
- The **official internship** takes place on **June 12 and 13, 2025**.
- **Round-trip transportation** between CTU and the company will be provided for all three days.

#### **Eligibility**

The program is open to students from their second year and above majoring in the following faculties:

- College of Agriculture
- College of Aquaculture and Fisheries
- School of Economics
- College of Engineering
- Institute of Food and Biotechnology
- College of Information and Communication Technology
- College of Natural Sciences

**Expected number of selected participants: 10–12 students**

The **TAKESHO – CTU Internship Program 2025** is a gateway for CTU students to gain exposure to **Japanese work standards**, develop professional readiness, and equip themselves for future careers.
