

The Center of Global Education, in collaboration with leading academic speakers and experts in the field of Information Technology, cordially invites students, graduate learners, and faculty members to attend the upcoming workshop titled: **“AI in Academia and Beyond: Insights, Opportunities & Scholarship Pathways.”**

This event will be held on **Tuesday, June 17, 2025**, and is jointly organized by the Cheng Kung Office in Vietnam (NCKU OH), the Department of Computer Science and Information Engineering at National Cheng Kung University (NCKU), and the Faculty of Computer Science and Engineering, Ho Chi Minh City University of Technology – Vietnam National University Ho Chi Minh City (HCMUT–VNU HCM).

**Workshop Objectives:**

- Explore AI applications in various fields including healthcare, business, and research innovation
- Gain professional and expert perspectives on AI within academic and professional contexts.
- Strengthen academic and institutional collaboration between NCKU and Vietnamese partners
- Learn about graduate scholarship opportunities at NCKU and take part in **on-site interviews** with NCKU professors for potential applicants

This is a valuable opportunity for faculty members and students to exchange ideas, engage with top scholars in the field of artificial intelligence, and explore postgraduate opportunities directly with professors from the Department of Computer Science and Information Engineering at NCKU.

**Event Details:**

**Time:** 8:00 AM – 12:30 PM (Vietnam time), **Tuesday, June 17, 2025**

**Format:**

- **On-site:** Seminar Room, Faculty of Computer Science and Engineering, Ho Chi Minh City University of Technology – VNU HCM
- **Online:** via Cisco Webex and Facebook Livestream

**Distinguished Speakers:**

**Ho Chi Minh City University of Technology – VNU HCM:**

1. **Assoc. Prof. Dr. Pham Hoang Anh** – Vice Dean, Faculty of Computer Science and Engineering
2. **Dr. Le Trong Nhan** – Head, Advanced Computing Laboratory (AC Lab)
3. **Dr. Nguyen Duc Dung** – Head, Advanced Intelligent Technology Laboratory (AITech Lab)

**National Cheng Kung University (NCKU):**

1. **Prof. Shyh-Hau Wang** – Dean, Department of Computer Science and Information Engineering
2. **Prof. Ing-Chao Lin** – Department of Computer Science and Information Engineering

3. **Prof. Chung-Ping Young** – Director, Institute of Bioinformatics; Program Chair of Graduate Program in Artificial Intelligence
4. **Prof. Wei-Ta Chu** – Department of Computer Science and Information Engineering
5. **Ms. Tsai Yu** – Secretary, Department of Computer Science and Information Engineering

Join us to **listen – learn – connect – and unlock academic opportunities** in the era of Artificial Intelligence. We look forward to welcoming you to the workshop!
