

Opportunity to Join the NEXTGEN Business Immersive Camp 2025 in Thailand

The Center of Global Education is pleased to announce the NEXTGEN Business Immersive Camp 2025 – an academic and experiential learning program designed for students passionate about business, innovation, and international integration. The camp will take place in Thailand, bringing together university students from across Southeast Asia to create a dynamic and inspiring international learning environment.

Benefits of Participating:

- Attend skill-building workshops on business thinking, youth leadership, and innovative entrepreneurship
- Participate in company visits and real-world business exposure in Thailand
- Engage in cultural exchange and team projects with international peers
- Improve English proficiency and gain confidence in presenting ideas
- Receive a Certificate of Completion from the Organizing committee – a valuable addition to your academic and professional profile

Eligibility Criteria:

- Full-time undergraduate students at the university (second year or above)
- Good English communication skills (priority given to those with certifications such as IELTS, TOEIC, etc.)
- Strong interest in business, innovation, entrepreneurship, or youth leadership
- Demonstrated responsibility, teamwork, proactiveness, and strong interpersonal skills
- Priority given to students with outstanding extracurricular involvement, previous participation in international programs, or active membership in English/Business Clubs

Required Documents:

- Application form (template provided)
- Most recent academic transcript
- English CV
- Personal statement or video presentation (in English) introducing yourself and explaining your motivation for joining.

Detailed program information and application materials will be updated on the university's official website and fanpage. This is a great opportunity for students to challenge themselves, gain international experience, and develop both personally and professionally.
