

Announcement: TIAS 2025 (The Indonesian Aid Scholarship) – Fully Funded Master's and PhD Scholarships for ASEAN Citizens

The Center for Global Education is pleased to inform students and young professionals of the TIAS 2025 Scholarship Program (The Indonesian Aid Scholarship). This prestigious scholarship, sponsored by the Government of Indonesia, is open to citizens of ASEAN countries, including Vietnam.

Program Objective: TIAS is a full scholarship program for international applicants wishing to pursue Master's or PhD degrees at leading educational institutions in Indonesia. The program aims to promote regional cooperation, enhance cultural understanding, and contribute to sustainable development within the ASEAN region.

As one of TIAS's official partner universities, *Padjadjaran University* proudly offers 11 international study programs at both undergraduate and postgraduate levels:

Available Programs:

1. International Relations
2. Business Administration
3. Accounting
4. Management
5. Economics
6. Islamic Economics
7. Digital Business
8. Communication
9. Political Science (International Relations specialization) - Master's
10. Public Management - Master's
11. Management - Master's

This scholarship supports the Sustainable Development Goals (SDGs) by strengthening human resources and fostering international cooperation through higher education.
